Login	

Enter the login name and password to the VNET Customer Zone, which were delivered to you by email. I case you do not have a login name and password for the customer zone available, click on "Create your account". For repeated sending of the name and password, you should have prepared your Contract number and the e-mail address you provided in the Contract. After filling in the required data, you will be sent an e-mail with your login name and password.

#### 2. SETTING UP A DIRECT DEBIT

After successfully logging in to the VNET Customer Zone, click on the "Direct debit payments" tab in the left menu (step 1). In the next step, click on "Set up SEPA direct debit" (step 2).
